

Week beginning 12th October
This week in the Nursery ...

Ourselves and Our Families!

We will be ...

- Learning about each others families, discussing who is in them and what we like to do when we are with them.
- Discussing what makes us feel happy and sad.
- Listening to everyday sounds and establishing whether they are loud or soft sounds.
- Playing sound games to help us identify different sounds.
- Listening to different stories that have a family focus - Alfie, The Large Family, Charlie and Lola.
- Using unifix and compare bears to help us count numbers 0-5.
- Having a go at matching number symbols to quantities and colour matching.
- Exploring obstacle courses once again in the outdoor classroom, building them independently and using our skills of balance, walking, jumping and crawling.
- Exploring mark making through painting and drawing and printing.
