

Week beginning 30th November.

This week in the Nursery.....

It's our Christmas Production!!

We will be ...

- Practising our singing, singing the songs for our Christmas Production to the children in Reception and the rest of the school.
- Dancing along with and doing the actions to our songs for the production.
- Listening to nursery rhymes to begin to recognise the words that sound the same in them.
- Counting numbers 0-6, recognising the numbers and making the quantities that match.
- Investigating the Dark Cave and writing about our experiences in there.
- Beginning to use our senses to investigate - using our sense of touch and smell.
- Having fun in the outdoor classroom (weather permitting!) riding the bikes and making obstacle courses.
