

Week beginning 22nd March

This week in the Nursery ...

Getting ready for Easter!

We will be ...

- Finding out about the Easter story with a visit from Rev.Thornton and having a taste of Hot Cross Buns!
- Making Easter decorations using clay and paint, tissue and card.
- Continuing to learn about rhyming words, making strings of words with the same rhyming patterns and some of us will be introduced to alliteration.
- Continuing to play number games to develop our understanding of numbers 0-10, 0-15, looking at number order and matching quantities to amounts.
- Using Bee Bots to help us understand and use positional language. We will be programming them to move across the floor to get to different destinations.
- Exploring the soft play apparatus once again, working on ways of travelling and balancing independently and with a partner.
- Exploring construction equipment and digging in the outdoor classroom, using large wooden blocks to build and different tools to explore the best ways of digging in our digging area! Messy Time!!
