February 2008

Annual General Meeting – 28th February 2008 Guest Speaker – Mary Emerson

Dear Parents/Carers

Our AGM will be held on Thursday 28th February at 7.30pm. All parents are invited.

The evening will start at 7.00pm with a "Welcome event!"- Cheese and Wine will be available and there will be an opportunity to chat to PA committee members about what they do and perhaps what you can offer.

At 7.30pm, Mary Emerson will present a session on what support is available for parents locally. Her visit is **funded** and her role is to provide support to schools for new parents. Her talk will therefore be suitable for all parents, but **especially for those in Nursery and Reception.**

This will be followed by the formal part of the evening when the treasurer's report is given and new officers are elected or re elected. You will be aware that all parents/carers of pupils are members of the Parents' Association and that there is a committee that plans and organises events for both fun and fundraising - our quiz night the other Friday was exactly that! If you weren't there then you missed a treat.

We need new parents to be part of the committee because, as always, parents step down as their circumstances change and to ensure we have a continuing successful committee we are seeking your support.

We look forward to seeing you there.

Best regards

Tricia Garrard
